Belonging here

We Are All Notre Dame

As a Catholic research university, Notre Dame is committed to defending the dignity of every human person, to promoting a just society in which every person can flourish, and to attending particularly to the needs of the most vulnerable.

Empathy, gratitude, fairness, and humility.

Lead by example, fostering a culture of excellence and empowerment.

We strive for tender, strong and true leadership.

Uphold high ethical standards and inspire confidence, guiding others to do what is right willingly.
